

Work Notice

Ridgewood- Emergency Electric Work

Wednesday, March 30, 2017

Con Edison is making emergency repairs to the electric facilities in your area. We will be working around the clock on or about Catalpa Avenue between 60th Lane and 65th Street/Otto Road. This project is expected to be completed in 4-5 weeks.

What to expect:

- Limited street parking
- Excavation work
- Night work in residential area

We apologize for any inconvenience this work may cause. We will provide updates as more details become available. Service interruptions are not anticipated.

For more information, please contact us at 1-718-425-6899 or QueensRCA@conEd.com.
